

# NEROLI PASSION Perfume 100ml

---

**NEROLI PASSION Perfume 100ml** It seems like you're referring to a perfume called NEROLI PASSION in a 100ml size. However, without more specific details, it's unclear if this is a product from a well-known brand or a niche fragrance. Here's some general information that might help:

Neroli is a key ingredient in many perfumes, derived from the blossoms of the bitter orange tree. It has a fresh, floral, and slightly citrusy scent, often used in high-end fragrances.

If NEROLI PASSION is a specific perfume, it might feature neroli as a central note, possibly blended with other complementary notes like citrus, floral, or woody accords.

- To get more details about this specific perfume (brand, notes, or availability), you may want to check:
  - The brand's official website or product description.
  - Online retailers like Sephora, Fragrance X, or Amazon.
  - Reviews on platforms like FRAGRANTICA or BASENOTES
- 

## What is Neroli?

Neroli is an essential oil extracted from the flowers of the bitter orange tree (*Citrus AURANTIUM*).

It's a popular note in perfumery, often associated with elegance and freshness. It's commonly found in unisex or floral-citrus fragrances.

## 2. Possible Fragrance Profile of NEROLI PASSION

If this perfume is centered around neroli, it might include the following notes:

- **Top Notes:** Bergamot, lemon, or orange (to enhance the citrus aspect).
- **Heart Notes:** Neroli, jasmine, or orange blossom (for a floral core).
- **Base Notes:** Musk, amber, or cedarwood (to add depth and longevity).

However, without the exact brand or description, this is just a general guess.

## 3. How to Find More Information

If you're looking to learn more about NEROLI PASSION 100ml, here are some steps:

- **Check the Brand:** Look for the brand name on the bottle or packaging. Search for the brand's official website or social media pages.
- **Online Retailers:** Search for the perfume on platforms like Amazon, eBay, or specialized fragrance sites (e.g., FRAGRANCEX, FragranceNet).
- **Fragrance Databases:** Use websites like FRAGRANTICA or BASENOTES to search for the perfume by name. These sites provide detailed notes, reviews, and similar fragrances.

## 4. Similar Well-Known Neroli Fragrances

If you're interested in neroli-based perfumes, here are some popular options:

- **Tom Ford Neroli Portofino:** A luxurious, fresh neroli fragrance with citrus and floral notes.
- **Jo Malone London Basil & Neroli:** A fresh, green take on neroli with herbal accents.

## 5. Is NEROLI PASSION a Niche or Designer Perfume?

- If it's a niche perfume, it might be from a smaller, artisanal brand. Niche fragrances often focus on unique blends and high-quality ingredients.
- If it's a designer perfume, it might be part of a limited edition or a regional release.

## 6. Where to Buy

If you're looking to purchase NEROLI PASSION 100ml, try:

### The brand's official website.

- Online marketplaces like Amazon, eBay, or Etsy.
- Local perfume stores or boutiques that carry niche fragrances.

## Understanding Neroli as a Fragrance Note

What is Neroli? It has a fresh, floral, and slightly citrusy scent, often described as elegant and uplifting.

- **Why is Neroli Popular?** It's a versatile note used in both men's and women's fragrances, often associated with luxury and sophistication. It's commonly found in colognes, floral perfumes, and unisex scents.

## 2. Possible Composition of NEROLI PASSION

While I don't have the exact notes for NEROLI PASSION, here's a general idea of what it might include based on the name:

- **Top Notes:** Citrus (bergamot, lemon, or mandarin) to give a fresh, zesty opening.
- **Heart Notes:** Neroli, orange blossom, or jasmine for a floral, slightly sweet core.
- **Base Notes:** Musk, amber, or sandalwood to add depth and longevity

If it's called PASSION, it might also include warmer, more intense notes like vanilla, patchouli, or spices to balance the freshness of neroli.

## 3. How to Identify NEROLI PASSION

If you're trying to find this specific perfume, here's what you can do:

- **Check the Packaging:** Look for the brand name, logo, or any distinguishing features on the bottle or box.
